Dear Mr. Canfield:

Thank you for your recent letter requesting a change to the *Manual on Uniform Traffic Control Devices* (MUTCD) to add a standard design for a supplemental plaque with the legend, "ALL-YEAR OPERATION" for use in school area traffic control.

A Notice of Proposed Amendments (NPA) to the MUTCD was issued on January 2. Your request will be entered into the Public Docket No. FHWA-2007-28977 for the NPA and will be given consideration in rulemaking for the next edition of the MUTCD.

A copy of your request has been forwarded to the Regulatory and Warning Signs Technical Committee of the National Committee on Uniform Traffic Control Devices for review and consideration.

We have assigned the following number and title to your request: "7-76(C)—ALL-YEAR OPERATION Plaque for School Advance Signs." Please refer to this number and title in future correspondence. If we can be of further assistance on this matter, please contact Mr. Fred Ranck at 708-283-3545 or via e-mail at fred.ranck@fhwa.dot.gov.

Sincerely yours,

Hari Kalla
