STEPHEN DILTS
Acting Commissioner

Interim Approval Rectangular Rapid
Flashing Beacons (RRFB)
Request for Use in New Jersey
December 16, 2008

Robert Arnold, Director
Office of Transportation Operations
Federal Highway Administration
1200 New Jersey Avenue
S.E., HOTO-1
Washington, DC 20590

Dear Mr. Arnold:

On behalf of the New Jersey Department of Transportation (NJDOT), I would like to apply to use Rectangular Rapid Flashing Beacons for all roads and highways within New Jersey. Staff from NJDOT has reviewed the motorist compliance that has been achieved by the RRFB and believes that this will greatly improve pedestrian safety in New Jersey.

NJDOT is aware of the provisions of Paragraph F of Section 1A.10 and agrees to restore the site(s) where RRFB is employed to a condition that complies with the provisions in this Manual within 3 months following the issuance of a final rule on this traffic control device by the Federal Highway Administration.

Please contact me with any questions regarding this request. I may be contacted at 609-530-3717.

Sincerely,

Douglas R. Bartlett, Manager
Traffic Engineering and Investigations

C: Amit Bose, Federal Liaison
Jeff Callahan, Assistant Commissioner, Operations
Patricia Ott, Director, Traffic Engineering and Safety
Sheree Davis, Bicycle and Pedestrian Program Coordinator
