

The American Traffic Safety Services Foundation presents the “2010 Golf Classic Tournament Annual Giving Campaign.”

What: The Foundation’s Golf Classic Tournament attracts nearly 130 golfers from the roadway industry. As an annual giving sponsor of this important event, you and your company will partner with the Foundation to continue promote roadway safety through charitable giving and public awareness programs across our nation.

Through initiatives such as the “Life Behind the Cones and Barrels – How Roadway Workers Keep America Moving Poster Contest” program and the “National Work Zone Memorial – Respect and Remembrance: Reflections of Life on the Road” program, the Foundation is able to educate the public about work zone safety. When the unthinkable does happen, the “Roadway Worker Memorial Scholarship” program is in place to make sure the educational dreams of family members left behind can still become a reality. Scholarships are awarded to children of workers killed or permanently disabled in a work zone accident. Parents with custody or legal guardianship of surviving children are also eligible for scholarships.

Committee: Tom McSwain, Site Selection Chair – Ennis Paint, Inc.
Keith Rainwater – Total Highway Maintenance, LLC
Sue Reiss - Impact Recovery Systems, Inc.
Jeff Low – Ennis Paint, Inc.
