

Heart of America Chapter

SAFER ROADS SAVE LIVES

2001 Annual Report

*Heart of America*

**Chapter Activities for 2001:** *The Heart of America Chapter held 3 meetings with MoDot to discuss the implementation of NCHRP 350 (Missouri is fully compliant) MoDot had decided to take a hard line stance with regards to 350. The meetings were held to assist both MoDot and the traffic control contractors with the implementation. Quarterly meetings with K-Dot were also held*

*in all Districts in Kansas to discuss any concerns on traffic control and striping for the liaison committee. New officers were elected in June at the Annual meeting where Past President, Bob Kudelko was awarded with a plaque for his years of hard work and dedication to the progression of the chapter. To increase the transfer of information and technology between the DOT's and the chapter, the Heart of America Chapter formed a liaison committee to report to the members on new specs. and activities going on with the DOT's.*

*A taskforce of four chapter members updated the bylaws via web-teleconferencing with staff.*

*The chapter made a donation to the Roadway Safety Advancement Fund and Co-Sponsored cocktails and registration with the Illinois Chapter at the 2001 Midyear in St. Louis as well as provided give away items to attendee's.*

*The annual HOA golf outing was held in October and moderately attend.*
