

Indiana Chapter of

SAFER ROADS SAVE LIVES

2002 Activity Report

Tim McNelis took the helm as Chapter President and held 2 meetings during 2002. The first meeting was held Tuesday, October 22 and the second was held Wednesday, December 18. Both meetings were in Indianapolis where NCHRP 350 issues and National ATSSA opportunities and events were discussed. INDOT updates were also given at each meeting with in-depth discussion about line removal on "T" jobs and temporary striping for winter. The chapter has very good lines of communication with the DOT and looks forward to an active 2003 with quarterly meetings scheduled.
