Dear Chairman Cruz and Ranking Member Cantwell:

On behalf of the American Traffic Safety Services Association (ATSSA), I write to offer our strong support for the confirmation of the Honorable Sean Duffy to be United States Secretary of Transportation.

Mr. Duffy has demonstrated a long history of expertise, passion and dedication to public service. He has highlighted these qualities throughout his career on Capitol Hill, and we are excited by his nomination. Mr. Duffy's commitment to finding bipartisan solutions and working with both public and private sector stakeholders will be a great asset for the Department of Transportation (USDOT) as they continue to advance roadway safety policies and investments.

ATSSA looks forward to working with Mr. Duffy and continuing its strong partnership with the USDOT to address critical transportation safety challenges. Each year, tens of thousands of men, women and children die on our nation's transportation network, and many more are seriously injured. The USDOT needs Mr. Duffy's leadership to make further progress in improving transportation safety for the traveling public.

ATSSA believes Sean Duffy will serve well as the Secretary of Transportation and urges the Committee to favorably report his nomination to the full Senate for consideration.

Sincerely,
